

A diagram illustrating a stale dependency. On the left, a light blue box with a dashed red border contains the text 'P2' and 'Figures + a11y'. A dashed red arrow points from the right side of this box to the left side of a second, identical box on the right. This second box contains the text 'P1' and 'Typed reports'. Below both boxes, the text 'Stale dependency after change' is written in a dark blue font.
